ArtStarts Gallery Accessibility Information

Currently, only the main floor of ArtStarts is wheelchair-accessible. Our key operated lift is out of order until further notice. The front door does not have an automatic door opener — you may need to ask for support opening the door. The front desk person will be happy to assist you! The Cherniavsky Boardroom, ArtStarts Lab, and gender-neutral washrooms are located on the Mezzanine level and are only accessible by stairs.

Please note that at ArtStarts we strive to provide a scent-free environment. Please do not wear heavily scented perfumes or other smells to your workshop at ArtStarts. Please provide this information to all participants who will be attending.

Wheelchair access:

- Front door: 3 feet width (single), 6 feet full width, 1/2 inch door sill, no automatic door opener
- Our lift is currently out of order until further notice. We are working diligently to replace our lift as soon as possible and appreciate your patience.

Washroom info:

- Two non-gendered washrooms, wheelchair button to open the green door washroom only
- All wheelchair accessible washroom stalls have a handrail
- Sanitary disposal available in all stalls
- 6 feet clearance in front of sinks
- Non-scented soap, sharps disposal, and changing tables in washrooms
