1. How to introduce yourself and the Artists in the Classroom grant

Here is some wording you can use let others know about your artist residency in a classroom/school, as well as the Artists in the Classroom grant. You can use this short description on your website, blog, newsletters, etc. Be sure to fill in the gaps with your particular information.

I am working as an artist in residence with Grade ____ students at _____. This artist residency is partially funded by an Artists in the Classroom grant, disbursed by ArtStarts in Schools and funded by BC Arts Council and the Government of British Columbia's Creative Futures program. This funding program supports projects that put students in direct contact with a professional artist in residence in their classroom and aims to connect an art form and another subject area to meet evolving objectives in both.
